

POWERFLEX™ FLEXIBLE SOLAR PANELS

5, 10, 20 & 40 Watt Flexible Solar Panels

SPECIFICATIONS	PowerFLEX 5	PowerFLEX 10	PowerFLEX 20	PowerFLEX 40
Model #	04300	04310	04320	04340
UPC codes	775540043007	775540043106	775540043205	775540043403
EAN codes	0775540043007	0775540043106	0775540043205	0775540043403
Rated Power (W)	5	10	20	40
Operating Voltage (V)	16.5	16.5	16.5	16.5
Operating Temperature	-40°F to 140°F / -40°C to 60°C			
WEIGHTS & DIMENSIONS	PowerFLEX 5	PowerFLEX 10	PowerFLEX 20	PowerFLEX 40
Unit Dimensions	22.4 x 10 in 57 x 25.4 mm	27.7 x 13.4 in 70.4 x 34 mm	52 x 13.4 in 132 x 34 mm	2 x (52x13.4) in 2x(132x34) mm
Unit Weight (lb/kg)	0.6 / 0.27	1.0 / 0.45	1.9 / 0.86	3.7 / 1.68
Packaged dimensions (in/mm)	Individual tubes: 15 x 5 x 5 / 380 x 130 x 130			
Packaged weight (lb/kg)	1.6 / 0.72	2.1 / 0.95	3.1 x 1.41	5.4 / 2.45
Master Pack dimensions (in/mm)	4 units per master: 15.5 x 11 x 11 / 395 x 150 x 150			
Master Pack Weight (lb/kg)	8.2 / 3.72	10.2 / 4.63	14.2 / 6.44	23.6 / 10.7
Patents	International Patents Pending			
Regulatory Approval	CE Approval, e-mark			
Made in	USA			
Warranty	3 Year Power Warranty			

Accessories	Part#	Description
	10388	Plug'n'play Connector kit - incl: o-rings, battery clamps, CLA, 12V socket, stripped wire adapter & twist-on connectors
	10076	Plug'n'play 10 foot Extension Wire

ICP Solar Technologies is committed to a continuing program of product improvement. Actual conditions of use may vary, affecting the product performance, and are beyond ICP Solar Technologies control. ICP Solar Technologies cannot guarantee that the same results will be obtained under different conditions.

Please be advised that specifications, performance, parameters, appearance, and dimensions of ICP Solar Technologies products are subject to change without notice. For more updated information about ICP Solar Technologies products, contact ICP Solar Technologies.
